Dear Public Service Commission of SC,  
I am a faithful customer of  
SCE+G. For the last past few months  
my electric bill has been from \$300<sup>00</sup>  
to \$858<sup>00</sup>. I would appreciate if you  
could look into this matter. If the  
table was turned, I know that the  
SCE+G employees would complain  
if their bill was high. You were used to  
paying your bill from \$235<sup>00</sup> - 310<sup>00</sup> at  
the most. I can't see my bill jumping  
up \$400<sup>00</sup> - \$500<sup>00</sup> extra. What kind of  
fraud does SCE+G think we lie in?  
Certainly not a ~~condo~~. I don't think it's  
<sup>right</sup> ~~to~~ to pay for electricity that I didn't  
use. These electric prices are ridiculously  
outrageous. Do these SCE+G employees get  
out there truck to read the meters or use the  
barometers from the truck? It's not fair to  
pay for something you didn't use. How are  
we suppose to pay these outrageous high  
bills? Are you going to help us with  
assistance in paying these bills? Could you  
please ~~inform~~ inform me ASAP. My bill is  
\$858<sup>40</sup>. It went from \$235<sup>00</sup> to \$858<sup>40</sup>.

I can't pay this bill and it's due April 2<sup>nd</sup>  
I had to call for more time. It was really  
do on ~~10<sup>th</sup>~~ March 5<sup>th</sup> then March 12<sup>th</sup>  
I got the bill, but couldn't afford to pay  
it. I had to call Columbia to get more  
time to come up with the money. My husband  
is disabled. I have 4 children. I'm the only  
one working. I can't afford to pay <sup>these</sup> light  
bills. Will you help me with some assistance  
to pay mine? It's due April 22<sup>nd</sup>.

Thank you,  
The Toomer Family
